World Week of Peace in Palestine and Israel ~ 17-21 September

During this week, which includes the International Day of Prayer for Peace on 21 September, the World Council of Churches invites member churches, faith-based communities, and civil society organisations around the world to join together for a week of prayer for just peace for all in Palestine and Israel.

This year, 2017, marks several historic anniversaries relating to Israel and Palestine and to the ecumenical community's response to this situation. It is 100 years since the Balfour Declaration, 50 years since the Six Day War of 1967, and 10 years since the 2007 WCC International Peace Conference 'Churches together for Peace and Justice in the Middle East' in Amman, Jordan.
