

The back page... Sunday, 19th August 2018

As many as 8.4 million people across the UK are living in households that struggle to put enough food on the table. Many children are going hungry during the school holidays because they do not have the free school meals they are entitled to in term time.

The End Hunger UK campaign has a vision of a UK in which everyone has access to good food and no one needs to go to bed hungry. See more at: <http://endhungeruk.org/>

For those on holiday...

We wish you a relaxing and enjoyable break from school, university and work!
For those going away, we wish you safe travels and hope that you will return home refreshed and ready to go!

Lesley will begin her walk to Scotland on Monday, 27th August. If anyone would like to accompany her, part way or for the 14 miles to Harrow on her first day, please let her know.
