The 'Alternative Christmas Card'

If you would like to place a greeting to your KURC friends in 'The Alternative Christmas Card' please write your message on the sticky label provided in the envelope and return the

completed label with your donation in the envelope as soon as possible to Denise Scorer or Barbara Fielding who are kindly organizing this for us again. Cheques to Christian Aid, please.

Last year we raised over £1000 for the work of Christian Aid in this way. Christian Aid partners around the world are often the first to provide immediate help in emergencies and disasters.
